BLUFFTON -- If you got new electronics for Christmas and plan to pitch the old ones, consider waiting a couple weeks.

Beaufort County is hosting electronics recycling from 9 a.m. to 3 p.m. Jan. 20. Residents can drop off electronic goods such as computers, VCRs and telephones at the county Public Works building on Ulmer Road in Bluffton.

Televisions require a \$20 disposal fee, but everything else is accepted free of charge. For more information or for instructions on disposing of large quantities, call the county Solid Waste and Recycling division at 470-6405.
